

W.N.T.C.

The Campus Radio Station, WNTC, is owned and operated by the students of the State University Teachers College and Clarkson in conjunction with IBS, the Intercollegiate Broadcasting System. The station, operating on a frequency of 640 kilocycles, is financially supported by the commercials sold and written by the students.

WNTC is "on the air" Monday through Friday from 6:30 PM to 11:30 PM and Saturday from 10 PM until early Sunday morning when the requests stop coming in. The staff, including over 125 students of both colleges supply the talent for the live shows; singers, instrumentalists, humorists, vocal groups, dramatists and script writers. Facilities are available for making tape and disk recordings. The up to date record library contains over 1100 records. The station's programs are constantly being improved by the students who gain valuable experience in this radio work.
